

CURRICULUM VITAE

LISA BURKHART, PhD, RN, ANEF
Associate Professor
Research Health Scientist

Marcella Niehoff School of Nursing Loyola University Chicago 1032 E. Sheridan Rd., 912 BVM Hall Chicago, IL 60626 773-508-2923	CINCCH Hines, VA Hines, IL 60141 Building 1, C219B 708, 202-8387, x22380
---	---

A. PROFESSIONAL/EDUCATIONAL PREPARATION

<u>Year</u>	<u>Degree</u>	<u>Institution</u>	<u>Field of Study</u>
1994-2002	PhD	Loyola University Chicago Chicago, IL	Nursing
1987-1988	MPH	University of Illinois Chicago, IL	Health Resources Management
1979-1985	BSN	University of North Carolina Chapel Hill, NC	Nursing

B. EMPLOYMENT/PROFESSIONAL EXPERIENCE

2012-present	Research Health Scientist , Center of Innovation for Complex Chronic Healthcare (CINCCH), Edward Hines Hospital, Veteran's Administration (IPA 2012; 5/8 th position Feb 2018).
2009-present	Associate Professor , Marcella Niehoff School of Nursing, Loyola University Chicago, IL. Tenured faculty.
2002-2009	Assistant Professor , Marcella Niehoff School of Nursing, Loyola University Chicago, IL. Tenured 2009.
1996-2001	Coordinator of Parish Nurse Development , International Parish Nurse Resource Center, Advocate Health Care, Park Ridge, IL.
1991-1996	Independent Health Care Consultant , American Hospital Association, American Organization of Nursing Executives, American Academy of Ambulatory Care Nursing, American Medical Association, JCAHO, Williams and Wilkins computer simulation division, BCBS of Illinois
1990-1991	Director, Nursing Education, Regulation and Legislation , Center for Nursing, American Hospital Association, Chicago, IL.
1988-1990	Program Administrator , American Medical Association. Member of the CPT editorial staff, Chicago, IL.
1985-1996	Staff Nurse , Medical/Surgical, ICU, telemetry, home health <ul style="list-style-type: none"> ➤ Evanston Hospital, Evanston, IL ➤ Chicago Home Health, Chicago, IL ➤ Extended Health Home Health Agency, Skokie, IL

- Myerscough Medical Staffing, Chicago, IL
- Traveling Nurse Corporation, Malden, MA
- Emory University Hospital, Atlanta, GA

C. LICENSES and CERTIFICATIONS

1985-present	Current RN license: Illinois (#041.239907)
2016	Root Cause Analysis training, Hines, VA
2015	TeamSTEPS Master Trainer for Primary Care, AHRQ
2014	Certificate in Poverty Simulation training, Missouri Association for Community Action
2012	NCLEX Kaplan Instructor
2012	On-line Education certification, Loyola University Chicago
2001	Basic Preparation in Parish Nursing Practice

D. GRANTS

1. Current

VA Office of Research and Development \$87,914 (Burkhart) 11/2020-10-2021

Title: Research and Evaluation in Residence for the VA Office of Academic Affiliations

Program Description: The purpose of this grant is to work collaboratively with the Office of Academic Affiliations to analyze quantitative and qualitative data to determine the effectiveness of the VHA OAA Nurse Residency Programs; identify areas for improvement; and determine the organizational impact of these programs on VHA nursing workforce recruitment and retention goals.

Role: PI (1 year, 20%)

Paralyzed Veterans of America, \$49,959 (Burkhart) 7/1/2020-6/30/2021

Title: Healthcare Provider Education in Preventing Community-Acquired Pressure Injury in SCI

Program Description: This project will develop, implement and evaluate an evidence-based educational curriculum and simulation for healthcare providers to prevent Community-acquired Pressure Injuries. (PVA Education Foundation Grant #857).

Role: Principle Investigator (1 year, 15%)

Office of Research and Development, VA, \$1.2M (Burkhart) 7/2018 – 12/2022

Title: Engaging Patients and Providers in Identifying and Addressing Modifiable Risk Factors to Prevent Community-Acquired Ulcers in Spinal Cord Injury (SCI)

Study Description: The purpose of this grant is to develop a decision support tool to be used in outpatient SCI clinic to prevent community acquired pressure injuries (CAPrI) in SCI. Qualitative methods at 3 sites will reveal shared mental models of provider (interview) and veteran perspectives (photovoice and guided tours) of CAPrI prevention. Results to inform the develop of the tool, validated using Delphi techniques with an expert panel. The tool to be piloted for feasibility, acceptability and impact in one SCI clinic. Impact will be compared to the other two sites using secondary data; IIR 16-267.

Role: Principle Investigator (4.5 years, 30%)

Scholarly Contributions

Burkhart, L., Skemp, L., Siddiqui, S., Bates-Jensen, B. (2021). Developing a Decision Support Tool to Prevent Community-Acquired Pressure Injuries in Spinal Cord Injury in Ambulatory Care: A Nurse-led Protocol for Mixed Methods Research. *Nursing Outlook*. Published ahead of print. <https://doi.org/10.1016/j.outlook.2021.01.003>

Health Services Research Administration, \$2.6M (Solari-Twadel) 7/2018 – 6/2022

Title: Nursing: Providing Access to Community-based Healthcare (N- PATH).

Project Description: The N-PATH project will expand undergraduate nurses' primary health/ambulatory care content hours, clinical experiences and access to clinical sites with a focus on primary care, community-based chronic disease prevention and treatment for underserved populations; UK1HP31718.

Role: Project Coordinator at VA site 20%

2. Completed, Funded

Dept. of the Army – USAMRAA, \$569,840.00 (LaVela) 7/2017 – 9/2020

Title: Perspectives and Preferences for Weight Management after Spinal Cord Injury

Study Description. This qualitative study (1) examines the perspectives of persons with SCI their informal caregivers/family members, and their health care providers regarding optimal weight management strategies; (2) develops an informational/educational tools for weight management that incorporates the needs and preferences of persons with SCI and their caregivers/family members; and (3) assesses the feasibility of the educational tool in health/practice settings.

Role: Co-I 15% (PI: Sherri Lavela)

Scholarly Contributions:

Pelegri, C., **Burkhart, L.**, Jones, K., Lavela, S. (2021). Health provider-identified barriers and facilitators to weight management for individuals with spinal cord injury. *Spinal Cord*. <https://doi.org/10.1038/s41393-021-00614-8>

Paralyzed Veterans of America, \$49,705 (LaVela) 6/2017-5/2018

Title: Developing a Curriculum on Grief/Loss to SCI for Health Providers

Study Description: The purpose of this study is to develop a curriculum for training faculty in the skills needed to identify and address grief/loss due to injury in persons with chronic SCI and integrate these curricula in a manner that would allow them to be practically used by health providers and widely disseminated. (#821)

Role: Co-investigator 10%

Scholarly Contributions:

Burkhart, L., Kale, I, & Lavela, S. (2021). Grief and Loss among Veterans with Spinal Cord Injury: A Qualitative Study. *Rehabilitation Nursing*. Published ahead of print. doi: 10.1097/rnj.0000000000000303

Office of Research and Development, VA, \$707,688 (Weaver) 2/2014-9/2016

Title: Developing a Patient Inventory to Facilitate Patient-centered Care Delivery

Study Description: The aims of this study: (1) to identify patient contextual factors that influence the delivery of patient-centered care (2) to examine the role of technology in health care delivery from patient and provider perspectives, (3) to develop and test a patient inventory with a randomized control trial of 272 Veterans.

Role: Consultant

Scholarly Contributions:

Weaver, F.M., Binns-Calvey, A., Gonzalez, B., Kostovich, C., LaVela, S., Stroupe, K.T., Kelly, B., Ashley, N., Miskevics, S., Gerber, B., **Burkhart, L.**, Schwartz, A., Weiner, S.J. (2019). Altering doctors about patient life challenges: A randomized control trial of a pre visit

inventory of contextual factors. *Medical Decision Making: Policy & Practice*. 4(1):238319852334. eCollection 2019 Jan-Jun

Office of Nursing Services, VA, \$67,500 (Bretschneider, Burkhart) 1/2015-9/2015

Title: Research to Support an Organizational Culture of Spiritual Care in VA Patient Care
Study Description: The goal of this research is two-fold: (1) create and psychometrically evaluate a spiritual care simulation with a standardized patient in VA healthcare (MaryBeth Desmond's dissertation research). (2) Using a qualitative descriptive method, conduct interviews with nurse participants post simulation to determine the facilitators and barriers in providing spiritual care at the VA.

Role: Co-Principle Investigator, mentor (20% time over 9 months)

Scholarly Contributions:

Burkhart, L., Bretschneider, A., Gerc, S., & Desmond, M. (2019). Spiritual Care in Nursing Practice in Veteran Healthcare. *Global Qualitative Nursing Research*, 6, 1-9. doi.org/10.1177/2333393619843110

Desmond, M.B., **Burkhart, L.**, Horsley, T. L., Gerc, S. C., & Bretschneider, A. (2018, January). Development and psychometric evaluation of a spiritual care simulation and companion performance checklist for a veteran using a standardized patient. *Clinical Simulation in Nursing*, 14, 29-44. <https://doi.org/10.1016/j.ecns.2017.10.008>

Health Research and Services Administration, \$1.5M (Vlasses) 10/2013-9/2016

Title: Interprofessional - Collaborative Redesign and Evaluation for Population Access to Health (I CARE PATH)

Description of Study: The goal of this study was to support interprofessional collaborative practice (IPCP) training for providers, faculty, and students in order to revise/expand IPCP clinical experiences in primary care and community settings.

Role: Team Trainer and led qualitative study (20% per year for 3 years):

Scholarly Contributions:

Burkhart, L., Horsley, T.L., Connor, J., Kouba, J., Michelfelder, A., & Vlasses, F. (2019). Engaging interprofessional students and providers for primary care redesign, *Journal of Interprofessional Education & Practice*, 15, 43-47. doi.org/10.1016/j.xjep.2019.02.004

Burkhart, L. & Vlasses, F. (2017). Photovoice: Primary Care Redesign Guided by Nursing Research, *Western Journal of Nursing Research*, 39(10), 1372.

Office of Patient Centered Care & (LaVela) Cultural Transformation, VA, \$995,348 10/2012-9/2014

Title: Center for Evaluation of Practices and Experiences of Patient-centered Care (CEPEP)
Description of Study: The goal of this study was to evaluate the processes and outcomes of approaches to implementing patient centered care and cultural transformation at the patient, family/caregiver, provider/employee, and organizational/system levels within and across the VHA Centers of Innovation (COIs). (PCE 13-002, LaVela)

Role: Co-Investigator (20% each year over 2 years)

Scholarly Contribution:

Burkhart, L., Sohn, M, Jordan, N, Tarlov, E, Gampetro, P., & Lavela, S. (2016). Impact of patient centered care innovations on access to providers, ambulatory care utilization and

patient clinical indicators in the Veterans Health Administration, *Quality Management in Healthcare*, 25(2), 102-110. DOI: 10.1097/QMH.0000000000000093

Burkhart, L. & Jordan, N. (2015, May). A tale of four cities: Using operations data to evaluate patient-centered care in the VA. Invited oral webinar presentation through the VIREC Partnered HSR&D Cyberseminar series, May 19, 2015.

Local Initiated Project, CINCCH, Veterans Administration, \$5,447 (Burkhart) 5/2013-8/2013

Title: Nursing Sensitive Indicators in the EHR: An Opportunity for Research

Description of Study: This Local Initiated Project supported a revision of the Hines CPRS' Interdisciplinary Plan of Care using nursing standardized terminology to reflect evidence-based practice.

Role: Principle Investigator (20% over 3 months)

Scholarly Contributions:

Burkhart, L. & McCabe, M. (2013, October). Nursing Sensitive Indicators in the EHR: Opportunity for Research. Oral Presentation at Local Initiative Project Conference, Hines VA, October 16, 2013.

Koziol Family Foundation, \$33,000 (Burkhart)

10/1/2010-12/31/2011

Title: Investigation of Traumatic Stress Responses in Female Veterans

Description of Study: The goal of this study was to discover a grounded theory of the experiences of female veterans transitioning into, serving in and transitioning out of the military.

Role: Principle Investigator (20% for duration of grant)

Scholarly Contributions:

Burkhart L. & Hogan, N. (2015). Female veterans: Coping with transitions. *Social Work in Mental Health*, 13(2), 108-127.

Hank Center for Catholic Intellectual Heritage, \$9,999 (Burkhart)

7/1/2009-6/30/2010

Title: Integrating Ignatian Spirituality in Nursing Education

Description of Study: The goal of this randomized control trial was to develop and test the effect of a spiritual care educational and reflective program on student nurse spirituality and perceived ability to provide spiritual care.

Role: Principle Investigator (20% for one year)

Scholarly Contributions:

Burkhart L. & Schmidt W. (2012). Measuring effectiveness of a spiritual care pedagogy in nursing education. *Journal of Professional Nursing*, 28(5), 315-321.

Psychometric Validation of Spiritual Care Grounded Theory (Burkhart)

8/2007-2008

Title: Spiritual Care Inventory: Testing the Reliability and Validity of a Survey Instrument

Description of Study: Developed and psychometrically tested two instruments that measure spiritual care in nursing practice based on the previously published spiritual care in nursing practice theoretical framework.

Role: Principle Investigator

Scholarly Contributions:

Burkhart, L., Schmidt, L., & Hogan, N. (2011). Development and psychometric testing of the spiritual care inventory instrument. *Journal of Advanced Nursing*, 67(11), 2463-2472.

Loyola University Chicago, Summer Stipend, \$6,000 (Burkhart)

2006

Title: Measuring Spiritual Care in Nursing Practice.

Description: Evaluate how spiritual care is measured in the EPIC computerized documentation system.

Role: Principal Investigator

Scholarly Contribution:

Burkhart, L. & Androwich, I. (2009). Measuring spiritual care with informatics. *Advances in Nursing Science* 32(3), 200-210.

Burkhart, L., Cognlianese, M., Kaelin, J., Moorhead, S., Joyce, C. (2021). Communicating spiritual care in the electronic health record. *Computers, Informatics, Nursing*. Published ahead of print. DOI: 10.1097/CIN.0000000000000707

Palmer Foundation, \$6,800 (Burkhart)

7/2005-6/2006

Title: Spiritual Care in Nursing Practice

Description of Study: Grounded theory of spiritual care in nursing practice in acute care using focus groups.

Role: Principle Investigator

Scholarly Contributions:

Burkhart, L. & Hogan, N. (2008). An experiential theory of spiritual care in nursing practice. *Qualitative Health Research, 18(7)*, 928-938.

SC Ministry, Cincinnati, Ohio, \$20,000 (Solari-Twadell)

9/2004-6/2005

Title Consensus Conference on Spiritual Leadership

Description: Two-day large group focus group with executive leadership from 10 large Catholic health systems across the country to identify the effective and ineffective content, process, and measurement strategies that have been used to develop spiritual leadership and further the faith-based mission of Catholic health care organizations.

Role: Co-Investigator

Scholarly Contribution:

Burkhart, L., Solari-Twadell, P.A., & Haas, S. (2008). Addressing spiritual leadership: An organizational model. *Journal of Nursing Administration, 38(1)*, 33-39.

National Institute for Nursing Research (Moorhead)

1999-2001

Title: Testing Nursing Outcomes with Clinical Data (R01-N03437).

Description: National study at nine sites to test the reliability and validity of Nursing Outcome Classification (NOC) labels. The Advocate Health Care site tested NOCs and indicators used in parish nursing.

Role: Site Liaison, 20%, International Parish Nurse Resource Center, Advocate Health Care

Scholarly Contributions:

H. HONORS AND AWARDS

- 2017 Distinguished abstract presentation at the MNRS 41st Annual Research meeting
- 2016 Awarded Loyola University Chicago Graduate and Adult Leadership GPA Faculty of the Year, awarded through the Graduate, Professional and Adult Student Life Office.
- 2016 Appointed member of the Health Care Research and Training Study Section for the federal Agency for Health Research and Quality. (4 year appointment, followed by ad hoc membership)
- 2015 Fellow, Academy of Nursing Education, National League of Nursing
- 2014 Ambassador, Institute for Transformative Interprofessional Education, Loyola University Chicago
- 2008, 2009 Faculty of the Year, undergraduate nursing program, Loyola University Chicago. This is the last two years the award was offered.
- 2006: NANDA International Publications Article Award
- 2006 NANDA International Unique Contributions Award
- 2005-present: Fellow, Center for Nursing Classification, College of Nursing, University of Iowa

I. TEACHING

1. Courses or Curriculum Development

- 2021 Spring: GNUR 540: Nursing as a Moral Practice (3-credits)
- 2020 Fall: GNUR 432: Philosophical Basis of Nursing Science (3-credits)
- 2019 Spring: TeamSTEPPS simulation (1-credit)
 Summer: GNUR 540: Nursing as a Moral Practice (3-credits)
 Fall: GNUR 432: Philosophical Basis of Nursing Science (3-credits)
- 2018 Spring: TeamSTEPPS simulation (1-credit)
 Summer: GNUR 540: Nursing as a Moral Practice (3-credits);
 TeamSTEPPS simulation (1-credit)
 Fall: GNUR 432: Philosophical Basis of Nursing Science (3-credits);
 TeamSTEPPS simulation (1-credit)
- 2017 Spring: GNUR 361: Nursing Ethics (3-credits); CMAN 349: Outcomes Performance: Theory (3-credits online); TeamSTEPPS simulation (1-credit)

- Summer: TeamSTEPPS simulation (1-credit)
- Fall: GNUR 361: Nursing Ethics (3-credits); GNUR 432: Philosophical Basis of Nursing Science (3-credits); GNUR 540: Nursing as a Moral Practice (3-credits); TeamSTEPPS simulation (1-credit)
- 2016 Spring: GNUR 361: Nursing Ethics (3-credits); CMAN 349: Outcomes Performance: Theory (3-credits online); TeamSTEPPS simulation (1-credit)
- Fall: GNUR 432: Philosophical Basis of Nursing Science (3-credits); GNUR 540: Nursing as a Moral Practice (3-credits)
- 2015: Fall: GNUR 361: Nursing Ethics (3-credits); GNUR 432: Philosophical Basis of Nursing (1-credit/co-teaching); TeamSTEPPS simulation (1 credit)
- Spring: GNUR 102: Introduction to Professional Nursing Practice (1-credit, taught 2 sections); GNUR 401: Nursing Concepts and Theories (3 credits online); GNUR 439: Outcomes Performance Management: Theory (1-credit, co-taught on-line class)
- Summer: GNUR 327: Introduction to Spiritual Care (3-credit online)
- 2014 Fall: GNUR 401: Nursing Concepts and Theories (3 credits online); GNUR 361: Nursing Ethics
- Spring: GNUR 401: Nursing Concepts and Theories (3 credits online); preceptor for doctoral student in teaching practicum.
- Summer: GNUR 327: Introduction to Spiritual Care (3 credits online); preceptor for Nancy Madsen in research internship (2 credits)
- 2013 Fall: GNUR 401: Nursing Concepts and Theories (3 credits online, 2 sections)
- Spring: GNUR 401: Nursing Concepts and Theories (3 credits online); GNUR 490: Decision Support (1-credit, co-taught, on-line)
- Summer: GNUR 327: Introduction to Spiritual Care (3-credit online)
- 2012 Fall: MSN 277: Adult Health 1 (4 credits, supervised 8 clinicals as Course Director); GNUR 204: Bridge Course Nursing Concepts (3 credit, online); preceptor for doctoral student in teaching practicum
- Spring: MSN 277: Adult Health 1 (4 credits, 3 sections, supervised 15 clinicals as Course Director)
- Summer: MSN 277: Adult Health 1 (4 credits, supervised 7 clinicals as Course Director)
- 2011 Fall: MSN 277: Adult Health 1 (4 credits, supervised 5 clinicals as Course Director); preceptor for doctoral student in teaching practicum

Spring: MSN 277: Adult Health 1 (4 credits, supervised 5 clinicals as Course Director); MSN 276: Altered Adult Health Patterns I (2-credits, supervised 7 clinicals as Course Director)

Summer: MSN 277: Adult Health 1 (4 credits, supervised 6 clinicals as Course Director). **Created new course in new curriculum.**

2010 Fall: MSN 276: Altered Adult Health Patterns I (2-credits, supervised 7 clinicals as Course Director); GNUR 360: Professional Role Development: Researcher (2 credits)

Spring: Altered Adult Health Patterns I (2-credits, supervised 6 clinicals as Course Director), GNUR 385: CRT: Clinical Role Transition; IPS 499: Guided Study

Summer: Altered Adult Health Patterns I (2-credits, supervised 2 clinicals as Course Director)

2009 Fall: Altered Adult Health Patterns I (2-credits, supervised 14 clinicals as Course Director)

Spring: Altered Adult Health Patterns I (2-credits, supervised 6 clinicals as Course Director); GNUR 450: Principles of Nursing Research (3 credits), preceptor for doctoral student in teaching practicum

Summer: Altered Adult Health Patterns I (2-credits, supervised 2 clinicals as Course Director); preceptor for doctoral student in teaching practicum

b. Graduate Level Advising (PhD, DNP, MSN)

Student	Title	My Role
PhD		
Barbara Vincensi	Spiritual Care in Advanced Practice Nursing	Preliminary chair Dissertation chair, dissertation funded by two grants (STT and AHNA) Student milestones: <ul style="list-style-type: none"> • Successfully defended preliminary examination Fall 2008 • Successfully defended dissertation spring 2011 • Published dissertation results in <i>Journal of Holistic Nursing</i>
Kevin Gulliver	Spiritual Care in Nursing	Preliminary Committee chair Withdrew from program 2012
MaryBeth	Simulation using a	Dissertation chair

Student	Title	My Role
Desmond	Standardized Patient to Measure Perception and Congruency of Spiritual Care for a Veteran to Inform Nursing Education and Practice	Student milestones: <ul style="list-style-type: none"> • Successfully defended dissertation spring 2017 • Published results in Journal of Clinical Simulation • Received 2 grants from Little Company of Mary hospital or tuition
Nancy Madsen	Measuring the effect of patient centered interprofessional teams in primary care on patients with diabetes	Dissertation chair Jonas Mentor Student milestones: <ul style="list-style-type: none"> • Awarded Jonas Scholarship mentored leadership award Spring 2016 • Successfully defended dissertation <i>with distinction</i> January 2019 • Manuscript accepted to <i>Journal of Interprofessional Care</i>
Pamela Gampetro	Perceptions of Pediatric Hospital Safety Culture in the United States from 2014 to 2016	Dissertation chair Student milestones: <ul style="list-style-type: none"> • Submitted predoctoral proposal (R36) to AHRQ February 2016 (unfunded) • Received mentored Versant Center for the Advancement of PhD Student Research Scholar Award for \$4500 • Successfully defended dissertation January 2018 • Published dissertation results in <i>Journal of Patient Safety</i>
Carol Sieck	Correlation of the BOOST Risk Stratification Tool as a Predictor of 30-day Unplanned Readmissions in Elderly Patients with Chronic Illness	Preliminary chair (transferred from retiring faculty member) Dissertation chair Student milestones: <ul style="list-style-type: none"> • Successfully defended dissertation Fall 2017 • Published dissertation results in <i>Quality Management in Healthcare</i>
Lisa Harton	The Situational Context of	<ul style="list-style-type: none"> • Co-chaired qualifying
