Cost Sharing (Including In-Kind or Matching Funds): Requests to include cost share (including in-kind or matching funds) must be pre-approved by Dr. Meharvan Singh, Vice Provost for Research. **Be mindful that cost sharing negatively impacts our future F&A rates. F&A is used to help cover our operating costs (staff salary, utilities, building maintenance, etc.), so it is important that we recover all we can.**

Maximum Faculty Research Effort

- Faculty members should not have more than 90% total effort allocated to extramurally funded projects.
- Effort contributions above 90% must be approved by the Vice Provost for Research.
- Under no circumstances should any faculty member have effort commitments above 95%.

Sponsored Projects:

Fiscal Year (July-June)	On-Campus Organized Research	On-Campus *Other Sponsored Activity	Off-Campus All Programs
FY25	54.0%	40%	26%

***Other Sponsored Activity** includes programs and projects that involve the performance of work other than organized research or instruction (e.g., community service, public outreach, conferences, and seminars) or for activities where there is no training of students, data collection, or evaluation of any kind.

Reduction or Waiver of F&A Rates:

Requests to either reduce or waive our F&A rates must be pre-approved by Dr. Meharvan Singh, Vice Provost for Research. **Be mindful that reductions/waivers of F&A result in cost sharing, which negatively impacts our future F&A rates. F&A is used to help cover our operating costs (staff salary, utilities, building maintenance, etc.), so it is important that we recover all we can.**

F&A Rates for Multi-Year Funding Cycles:

The University has decided to apply the F&A rate that is in effect as of the start of the individual project/competitive segment and then **hold that rate constant** for the duration of the funding cycle. Current and historic rates are available at: <https://www.luc.edu/spa/rates.shtml#fringe>
