

Loyola University Medical Center Cellular Therapy Laboratory Fee Schedule

The following fees will be assessed for all industry-funded clinical research studies utilizing the Cellular Therapy Laboratory:

Cellular Therapy Lab Start Up: \$600

The start up fee includes technologist(s) and other lab personnel effort in coordinating and participating in in site qualification and site initiation visits, reviewing the protocol, completing required training, and providing requested documentation to the study sponsor. It covers all effort up to and through the site initiation visit. The fee will be incurred on the day of the site initiation visit.

Cellular Therapy Lab Product Management: \$200

The product management fee includes retrieving the patient product from the clinic in which it is collected, coordinating the shipment of the product, receiving the product and storing it according to protocol requirements, and tracking. The fee is incurred per product shipped and received.

Unit Product Dispensing: \$100

The product dispensing fee includes the effort required to retrieve the product from the Cell Therapy Lab, thaw it (if necessary) and prepare it for infusion.
