

## Loyola University Medical Center Pulmonary Diagnostics Department Research Fee Schedule

---

The following fees will be assessed for all industry-funded clinical research studies utilizing the Pulmonary Diagnostics Department:

Pulmonary Diagnostics Start Up: \$500

The start up fee includes technologist(s) and other lab personnel effort in coordinating and participating in in site qualification and site initiation visits, completing required training, and providing requested documentation to the study sponsor. It covers all effort up to and through the site initiation visit. The fee will be incurred on the day of the site initiation visit.

Training (on-going): \$50/hour

All training required after completion of the site initiation visit will be billed at the rate of \$50 per hour per technologist.

Quality Review: \$350

The Quality Review fee includes the technologist time, test subject volunteer time, and room and equipment utilization to complete testing for quality review or site certification purposes. The fee will be incurred on the day the quality review test results are submitted to the sponsor for review.

Equipment storage: \$200 annually

If the sponsor requires use sponsor-provided equipment to be maintained in the Pulmonary Diagnostics Department, an annual fee of \$200 will be billed to study. The fee will be incurred on the day the equipment arrives at the Department and annually thereafter until the equipment is shipped back to the sponsor.
