SOCIAL SCIENCES

Do people fascinate you?
If so, the social sciences may be a good fit. Social scientists examine social systems, human behavior, and culture. Through observation and study, you'll explore human behavior and search for the motivations behind our actions.

SOCIAL SCIENCES

A human exploration

Loyola's social sciences majors include disciplines such as psychology, anthropology, and political science. Through them, you will investigate and examine the fascinating aspects of human behavior and interaction. The wide range of programs within the College of Arts and Sciences offer you an opportunity to lay a well-rounded foundation for life-long learning as well as the courage to question and think critically.

ALUMNI FOCUS

"I am beyond thankful for the professors who have helped me grow from sophomore to junior to senior year. I am graduating as the person I am today because of Loyola's sociology and political science professors."

JESSICA TALWAR '18,
SOCIOLOGY AND POLITICAL SCIENCE
